Dear Abe,

Thank you for your donation of two hundred (\$200) dollars to Friends of State Parks in support of Pilot Mountain state park! Your generous gift and continuing support will greatly assist us in these hard economic times as we pursue our mission to:

- Preserve and protect natural areas of unique or exceptional scenic value for the inspiration and benefit of present and future generations.
- Support the state parks system in providing recreational use of natural resources and promoting public utilization of our State Parks and State Recreation Areas.
- Advocate for new contributions of land and resources to the parks system.
- Support interpretation of plant and animal life, geology, and all other natural and historic features and processes in the various state parks and natural areas.
- Lobby for support and resources for state parks, especially adequate staff and funding.
- Promote public awareness of the contribution the state park system makes to the quality of life of the people of North Carolina and our visitors.

Again, thank you for your support of FSP and our parks. Let me know if you would like to receive our newsletter by email. We hope to see you at one of our quarterly meetings (which are listed in the newsletter) or at a state park soon.

With best regards,

*Jim*
